

Neighbourhood Houses Boroondara SHORT COURSE GUIDE

Semester two: July to December 2017

Boroondara Community and Neighbourhood Houses Short Course Guide

The City of Boroondara is home to ten Community and Neighbourhood Houses.

Our Centres offer over 200 courses and activities; ranging from art groups, further education and personal development, friendly fully-accredited childcare facilities, child and youth activities, social groups and fitness classes – all conveniently located around Boroondara. You will be surprised how close you are to one!

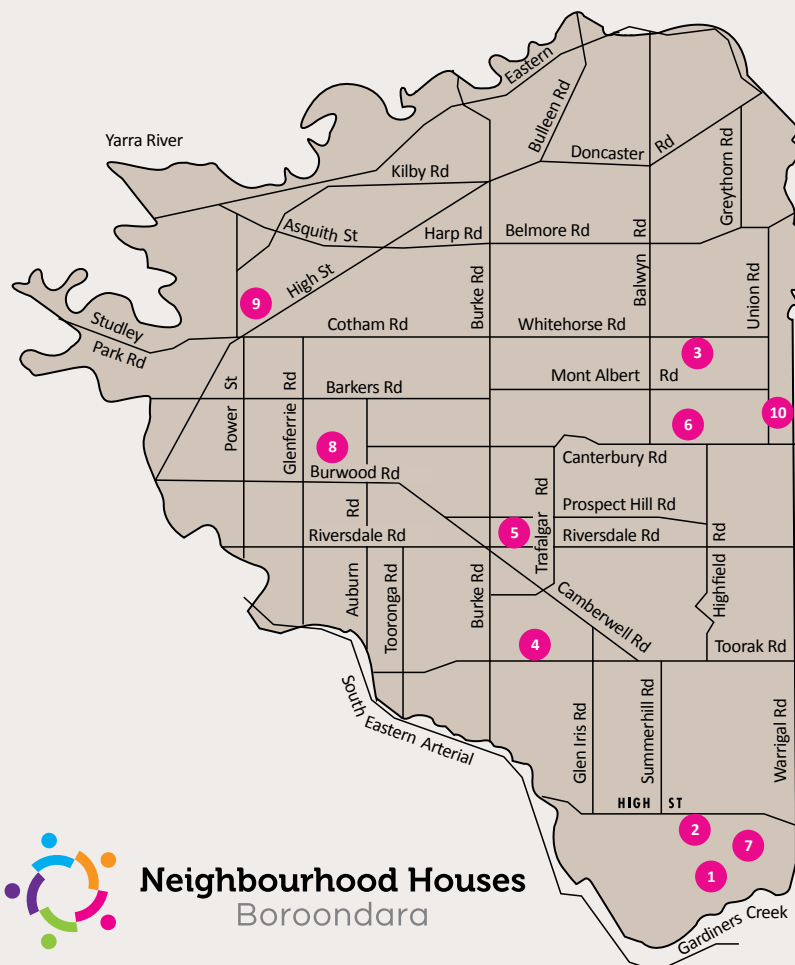

We have many years of experience with fantastic tutors and courses that are constantly evolving and growing to meet our community need. Most importantly, there is something for everyone - from the very young to most senior.

Courses are a mix of term based, short courses or one-off programs. Often activities can be joined mid-term. We try to keep the cost of our programs affordable and accessible, some are even free. Call our Centres for further details on any course that you are considering; we are happy to help.

Look up some of the wonderful activities we have on offer and enrol in a short course now. You can also keep up-to-date with our latest programmes and events by checking out our websites or following us on Facebook.
